WORDPRESS MANAGEMENT PLANS

FROM ESSENTIAL MAINTENANCE TO TOTAL WEBSITE MANAGEMENT.

All plans includes foundational WordPress maintenance. Silver and Gold plans build on that foundation with active management and strategic oversight.

Maintenance

Bronze

$250/mo

WordPress Maintenance
Essential updates, hosting, and protection to keep your site secure and stable.

What's Included:

Hosting & Protection
Secure managed WordPress hosting with uptime monitoring and reliable daily backups.

Updates Handled For You
Core, theme, and plugin updates completed within 24 hours, with compatibility checks.

Security Monitoring
Ongoing malware scanning and emergency cleanup support if something ever goes wrong.

Performance & Indexing Checks
Basic monitoring to ensure your site stays visible and responsive.

Support When You Need It
Direct email access and priority response for urgent issues.

Management

Silver

$350/mo

WordPress Management
Ongoing oversight to improve performance, visibility, and user experience.

←Everything in Bronze, plus:

Speed & Performance Monitoring
Ongoing monitoring with proactive adjustments when needed.

SEO Improvements
Keyword targeting, meta updates, and page-level optimization to improve search visibility.

Analytics & Insights
Google Analytics management, button and conversion tracking, and monthly performance summaries in plain English.

Content Updates Included
Up to 2 hours per month for updates, refinements, or improvements.

Faster Turnaround
Priority support and proactive recommendations.

Gold

$450/mo

WordPress Management Plus
Ongoing support for advanced functionality, workflows, and custom systems.

←Everything in Silver, plus:

Deeper SEO & Content Strategy
Expanded keyword research and structured content planning.

Conversion & Behavior Tracking
Advanced insights into how visitors interact with your site — and how to improve it.

Feature & Backend Support
Support for memberships, workflows, automation, and custom functionality.

Expanded Monthly Support
Up to 4 hours of updates and strategic improvements each month.

Top Priority Access
Direct access and strategic guidance as your site evolves.

Active management focused on performance, visibility, and growth.
